All students have a right to be safe and happy at school. They have a right to be treated fairly and with dignity. The same applies for teachers and all school staff. Each student’s right to learn depends on the capacity of teachers to carry out their professional responsibilities in the classroom free from disruption.

1. School Rules

Helensburgh Public School has three core rules. They are:

- Be Safe
- Be Respectful
- Be a Learner

The behaviour expectations for all members of the school fall under one or more of these three rules. (See expectations Matrix) Teachers will discuss and reinforce behaviour expectations for the different areas of the school and how they relate to the three rules.

Teachers will continually reinforce with the students the need to comply with these rules and make good behaviour choices.

At Helensburgh Public School our motto is “Honour”, which means to show a courteous regard for; or be worthy of respect or admiration. (Dictionary.com; Collins School Dictionary)

All students demonstrating the three core rules will be working towards honouring Helensburgh Public School.

- using Risc to monitor students' behaviour patterns.

3. Strategies and Practices to recognise and reinforce student achievement

Helensburgh Public School Merit System

The Helensburgh Public School community believes it is important to reward students when they are trying their best both academically and behaviourally. The following system is in place to encourage continual positive feedback to students:

Classroom Merit System – Honour Awards

Students can receive honour awards for various reasons within their classroom e.g. good behaviour, completion of work, an individual achievement, 5 ticks, circle of stars etc. RFF teachers, Casuals, Librarian, Scripture Teachers and Playground Duty Teachers can also give honour awards. 10 Honour Awards earn students a Gold Award.

Each classroom teacher has an established merit system in his or her room to create a positive and rewarding environment.

Gold Awards

After receiving a total of 10 awards (honour and/or assembly) students receive a gold award. These awards are handed out by the class teacher within the classroom. 4 gold awards will earn students 1 Principal’s award.

Assembly Awards

They are given by the classroom teacher and may be for conscientious effort, achievement in a particular KLA, citizenship or other reason deemed appropriate by the teacher. Awards are given in the ratio of 1 award per 10 students in the class at each stage assembly. Each Assembly Award is equivalent to 5 Honour Awards. These Assembly awards will also contribute towards the achievement of a Principal’s Award.

Principal’s Awards

4 Gold awards earn students a Principal’s Award. These are presented at K-6 assemblies each term. Principal’s Awards are collected to determine the 2 winners of the Principal’s Medallion from each class.

Principal’s Medallion

At the end of each school year the top 2 students in each class with the most Principal’s Awards/ Honour Awards receive a Principal’s Medallion.
HONOUR: to show a courteous regard for; worthy of respect or admiration.

Is behaviour executive managed?

Minor Problems

Use Classroom Management system/ Playground Recording Book

If classroom/ playground management strategies are unsuccessful or severe behaviour occurs, complete Blue Behaviour Form. Place blue form in class teacher’s tray. Class teachers enter the behaviour into RISC.

Major Problems

Complete Blue Behaviour Form

Student attends timeout for a number of days, determined by the Stage Supervisor

Student may be monitored for 1 week following level 1 timeout and 2 weeks following level 2 timeout, using behaviour monitoring card.

Student on level 2 timeout may be excluded from any school event occurring within the monitoring period

- Wasting time
- Calling out
- Classroom disruption
- Assembly disruption
- Inappropriate tone/attitude
- Inappropriate comments
- Unacceptable bookwork
- Out of bounds
- Playing in toilets
- Breaking school rules
- Dangerous play

Major Behaviour

- Chronic minor infractions
- Aggressive behaviour

- Fighting/ physical violence
- Bullying
- Deliberate disobedience
- Oppositional behaviour
- Retaliation
- Insolence
- Vandalism

- Spitting on or at others

Does the student have 3 Blue Behaviour Forms within a 2-week period?

Yes

Hand the 3 Blue Behaviour Forms to the Stage Supervisor. Stage Supervisor writes names on AP whiteboard for monitoring and/or timeout.

No

Class teacher files behaviour forms for future

4 or more level 1 timeouts or 2 level 2 timeouts in a semester - refer to Principal. Possible consequences include: caution to suspend, suspension, exclusion from stage/grade-based reward activities, expulsion as per Department of Education and Communities guidelines.
4. Procedures for dealing with Misbehaviour

Teachers in the classroom:
- are responsible for establishing a behaviour management plan in consultation with their class.
- are to ensure that all students in the class are aware of the class and school rules, the rewards and the consequences.
- are to be consistent in applying class rules, rewards and consequences.
- are to complete a blue behaviour form to communicate incidents (minor, moderate or extreme) in order to ascertain patterns of behaviour in students who consistently break school rules.
- are to promptly communicate any concerns with the student’s teacher and/or stage supervisor.

Teachers in the playground:
- are to actively supervise and intervene quickly when they witness any unsafe or unfriendly behaviours.
- are to apply fair and appropriate “on the spot” consequences e.g. withdrawal from rough play, walk with the teacher etc
- record any students who need “reminding of the rules” in the playground book. PLEASE NOTE: incidents which require a Blue Behaviour Form do not need to be recorded in the playground
- will use their professional judgement as to whether a Blue Behaviour Form needs to be completed.

Exclusion from Special Events
If a student displays behaviour such as violence, damaging property, persistent disregard for school rules etc, he/she may be excluded from special events including out of school activities. These activities include visiting performers, discos, etc, and from representing the school at sporting events or other events. The length of their exclusion will directly relate to the timeout level the student has been placed on.

Procedures for Out of School Activities
- “on the spot” consequences to be given eg withdrawal from activity.
- students demonstrating undesirable/unacceptable behaviour of a serious nature at any out of school activity will receive a blue behaviour form.
- these students will be required to discuss their behaviour choices with the Stage Supervisor. Timeout will be given if deemed appropriate.

Procedures for Bus & Bike
- students aged 9 or older, who have documented parental permission, are allowed to ride to school each day. These students must follow NSW Road Safety Guidelines ie. They must wear a helmet and follow road rules.
- students demonstrating undesirable behaviour of a serious nature while travelling on school buses or riding his/her bike to and from school will report to their Stage Supervisor who will decide if the behaviour warrants a blue behaviour form or timeout.
- students who continually disregard school and road safety rules and place themselves and others at risk may be prohibited from riding their bikes to school until such time that assurances can be provided by the parent that the student is now able to operate his/her bike safely and obey all school and road rules.

Learning Support Team
1. Teachers will complete the Learning Support Team Referral forms and pass them on to the L.S.T leader regarding a student whose learning, welfare or behaviour is of concern.
2. The L.S.T will meet once a week, when possible, to discuss referrals. Meetings will include the L.S.T members, referring teachers and any other appropriate staff.
3. The school Counsellor and the L.S.T leader will organise further case meetings with parents and outside agencies where appropriate.
Levels of Timeout

Level 1 Timeout

Teachers are concerned about the student’s behaviour. A student has wilfully or repeatedly broken school rules in the classroom, the playground or whilst on an excursion. A student is placed on this level by the Stage Supervisor following consultation with the teacher concerned.

- Students on Level 1 will spend 1 or 2 days in lunchtime timeout and may remain on Level 1 monitoring for a period of 1 week. During this time they are given opportunities to demonstrate improved behaviour.
- A letter will be sent home to parents by the Stage Supervisor, informing them of their child’s behaviour. This letter is to be returned to the Stage Supervisor, signed, within 3 days.
- Whilst on Level 1 monitoring, students may be unable to attend planned school events such as PSSA sport, or in-school performances.

If the student is unable/ unwilling to alter their behaviour, then they may be placed on Level 2 time out.

Level 2 Timeout

A student is placed on this level by the Stage Supervisor, because they have continued with unsatisfactory behaviour, or the student’s behaviour is serious enough to warrant direct placement on this level.

- Students on Level 2 timeout will spend up to 4 days in lunchtime timeout (at the discretion of the Stage Supervisor) and will remain on Level 2 monitoring for a period of 2 weeks. During this time they are given opportunities to demonstrate improved behaviour.
- A letter will be sent home to parents informing them of their child’s behaviour. This letter is to be returned to the Stage Supervisor, signed, within 3 days. Parents are asked to speak with their child about the problem.
- A parent/ teacher interview will be arranged at school with the teachers involved to discuss the behaviours being exhibited by the student.
- Whilst on Level 2 monitoring, students may be unable to attend planned school events such as PSSA sport, or in-school performances.

If there is no improvement in behaviour, the student moves to Level 3 timeout.

Level 3 Timeout

A student is placed on this level by the Principal or Stage Supervisor, because they have continued with their unsatisfactory behaviour and have chosen to behave in a manner that demonstrates disrespect for the rights and responsibilities of others at Helensburgh Public School. Placement on this level may also be automatic in accordance with DEC policies.

- The student loses privileges. Privileges lost are at the discretion of the Principal.
- The student may be placed on an in-school suspension where they are removed from the classroom and/or the playground whilst on Level 3 monitoring.
- A parent/ teacher interview involving the Principal and teachers concerned will be held at school. An individual behaviour plan will be devised.
- The student remains on Level 3 monitoring for a minimum of 2 weeks.
If there is no improvement, the student will be issued a formal *Caution to Suspend*. The next course of action may involve suspension or an extension of time on Level 3 where privileges are totally withdrawn.

**SUSPENSION**

Suspension is subject to procedures set by the Department of Education and Communities and consistent across all public schools. The principal, in considering and implementing a suspension, will in all cases follow the department's procedures.

**Immediate Suspension**

Principals of government schools **must** suspend immediately and consistently with policy guidelines, any student who:

- **is physically violent.**
  - resulting in pain or injury, or seriously interfering with the safety and well being of other students, staff or other persons. The matter may need to be reported to NSW police.
- **is in possession of a firearm or prohibited weapon** (without reasonable cause)
  - the matter must be reported to NSW police.
- **uses or is in possession of, a suspected illegal substance (not including alcohol or tobacco) or supplies a restricted substance.**

**Short and Long Suspension**

In determining whether a student's misbehaviour is serious enough to warrant suspension, the principal will have:

- ensured that all appropriate school student welfare strategies and discipline options have been applied and documented,
- ensured that all appropriate support personnel available within the school system and externally have been involved,
- ensured that discussion has occurred with the student and parents regarding specific misbehaviour which the school considers unacceptable and which may lead to suspension
- develop, in conjunction with the school learning support team or appropriate school or departmental personnel, a specific behaviour management plan to assist the student to manage inappropriate behaviour
- provided a formal written caution detailing these behaviours, as well as clear expectations of what is required of the student in future, and
- recorded all action taken.

A short suspension of up to and including 4 school days may be imposed for the following reasons:

- **Continued Disobedience**
  - This includes but is not limited to; breaches of the school discipline code such as: refusal to obey staff instructions; defiance; disrupting other students; use of alcohol or repeated use of tobacco.

- **Aggressive Behaviour**
  - This includes, but is not limited to: hostile behaviour directed towards students, members of staff or other persons, including damaging the property of the school or students; verbal abuse and abuse transmitted electronically such as by email or SMS text messages.

If short suspensions have not resolved the issue of inappropriate behaviour, or the misbehaviour is so serious as to warrant a long suspension, the principal may impose a long suspension of up to and including 20 school days. In determining if a student's behaviour is serious enough to warrant a long suspension the principal will consider:

- the safety of students and staff,
- the merit and circumstances of the particular case, and
- factors such as the age, individual needs, any disability and developmental level of students.
A long suspension of 20 days may be imposed for the following reasons:

- Physical violence
- Use or possession of a prohibited weapon, firearm or knife
- Possession, supply or use of a suspected illegal substance
- Use of an implement as a weapon or threatening to use a weapon
- Serious criminal behaviour related to the school
- Persistent or serious misbehaviour

NB For further information please refer to Suspension and Expulsion of School Students (unique identifier PD/2002/0014/v002) produced by the Department of Education and Communities.

Incidents to be recorded are those where students need reminding about rules. Action may include: reminded of rules, sat down 5 mins, walked with teacher, etc. More serious incidents should be recorded on the Blue Behaviour Form and placed in Class teacher’s or Stage Supervisor’s Tray. No need to record details twice, just record Blue Behaviour Form (BBF) next to child’s name in book.
