STUDENT LEADERSHIP
Last Thursday 3 May 2012 our school captains attended a training day at Bulli High School. The leadership development sessions were led by senior students from Bulli High School. Our school leaders were challenged to be active role models in their schools and to identify areas of the school they would like to see improved. Students from across the Seacliff Community of Schools attended the day and reported that they found the activities challenging and enjoyable.

NEW SPORTS EQUIPMENT
Helensburgh Public School has recently taken delivery of a large consignment of sporting equipment thanks to the generosity of the Helensburgh community. The school has been overwhelmed by the support it has received during the “Coles/Bi Lo Sports equipment for docket promotion “Sports for Schools.” The school has received a large variety of new sports equipment which will be used right across the school.

MOTHERS DAY
Next Thursday 10 May 2012 the Parents Auxiliary will be holding its annual Mothers Day stall at school. Students are asked to bring their money to school by Tuesday 8 May, so that selection of a present for mum becomes their focus for the day.

SCHOOL CALENDAR
Parents are reminded that information about coming events is posted on the school calendar on the school website. I encourage parents to check our site regularly.

STUDENT WELFARE
As part of the school’s ongoing commitment to student welfare, students from all grades attended a wonderful anti-bullying show “Stamp Out Bullying”. Through the show students received valuable strategies to combat bullying and to develop resilience. Teachers will be following up the show with a series of eight lessons to strengthen the message and to build a culture that nurtures positive behaviours.

HISTORY SPOT – “Did You Know?”
Each week the school will be publishing a special snippet about the history of our school. This is being done as part of our 125th celebration. I hope people find these both informative and entertaining. If any members of the community have any interesting stories about the school I would encourage them to ring Mrs Bev Clarke 42941332 as we are gathering a large array of stories, photos, old uniforms, memorabilia of any type. If you can help please contact Bev at the school.

Helensburgh Public School
125th Anniversary Year

Did You Know......
The enrolment of pupils at Helensburgh Public School continued to increase until 1890, when a larger school was needed. There were 130 children enrolled and a further 60 pupils were expected to be moving into the area. The estimated cost was £1,000, including out offices, two weather sheds, water tanks and furniture.

In 1891, a new school building was completed. It was a brick construction consisting of four classrooms with a large open veranda at one end. An additional classroom was later added (this is now the 1/2K classroom).

The main entrance in Lukin Street had a large foyer with a lovely stained glass arch over the door, which can still be seen today.
Opportunity Class Placements 2013
Parents seeking opportunity class placement for Year 5 entry in 2013 are required to submit an application by 18 May 2012. Generally students are in Year 4 in 2012 when applying for Year 5 entry in 2013. Parents seeking opportunity class placement for students in 2013 will be able to apply for up to two schools of their choice. It is expected that parents will make appropriate decisions when choosing a school that is within reasonable travelling distance. Parents are strongly encouraged to give careful consideration to the time taken and modes of transport involved when choosing a school with an opportunity class. Parents of students currently enrolled in a NSW public school with access to the internet, a printer and their own email address (not the student’s) should apply for opportunity class placement online by going to the NSW Public Schools website. Online applications open on Monday 30 April 2012. All other applicants must complete an official printed application form. Application packages will be available in schools from 7 May 2012. The number of application packages dispatched will be reduced this year in response to the high demand for online applications. Application forms whether submitted online or lodged with the principal should be received by the student’s current primary school by Friday 18 May 2012.

You could win a $4,000 holiday for your family to the destination of your choice! Just place a ($2) coin or the equivalent in the envelope and return it to the school office to be eligible for the draw. Your donation helps fund the program that supports the 1,800 public school children who experience a healthy and much needed break at Stewart House each year. Please return envelopes to school no later than Friday 18th May.

Hubbard St Reading
Thank you to the people who have kindly donated their time to become tutors for our special reading program. I have almost been able to get all students needing assistance onto the program. If anyone else is interested in helping for as little as half an hour a week I would be very grateful. Please leave your name and number with the office. Merle McPherson (SLST)

White Elephant Stall
At our fete later in the year one of the favourite stalls will be running again - The White Elephant stall. I will be again coordinating the stall. If you have been putting off that Spring Cleaning this is your chance. I will gratefully accept any goods in working, clean order (except clothing and shoes). Great sellers are puzzles/games, toys, bric and brac, household items, photo frames, really anything that you think might be a treasure for someone else. You can start dropping off your donations from this week directly to Mrs McPherson’s room which is located up the southern end stairs in A block (down from Fun for U). Thank you for your support.

SCHOOL BANKING

The Commonwealth Bank School Banking program is here! The School Banking program includes an exciting Rewards Program designed to encourage children to get into a regular savings habit. Every time your child makes a deposit at school they receive a Dollarmites token. The first token will be received after the first deposit at school. Once your child has individually saved 10 tokens, they can redeem them for an exclusive Dollarmites reward item. School Banking is also a great fundraiser for our school. The school receives $5 when children make their first deposit at school and a commission on every deposit made through the School Banking program. Taking part in School Banking is easy. If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every Tuesday, using their Dollarmites deposit wallet (see below).

If your child doesn't have a Youthsaver account and you would like them to participate in the School Banking program, we will have a representative from the Commonwealth Bank available to open accounts on Wednesday, 9 May between 8.30 and 9am. Please download an Application Form from www.commbank.com.au/schoolbanking, complete, and bring to school next Wednesday along with Photo Identification (eg. Drivers Licence or Passport). No identification is required for your child.

Please Note: If you are unable to attend the account opening at school on 9 May, you can still open an account at any Commonwealth Bank branch, no forms to fill in! Remember to take identification for you and your child (eg. Drivers Licence and Birth Certificate). Alternatively, if you are an existing Commonwealth Bank customer with access to NetBank, you can apply online.
