HARMONY DAY
21 March is Harmony Day. Harmony Day is managed by the Department of Immigration and Citizenship and coincides with the United Nations International Day for the Elimination of Racial Discrimination. It is a day of cultural respect, widely celebrated across schools, childcare centres, community groups, churches, businesses and federal, state and local government agencies. The message of Harmony Day is Everyone Belongs. In 2013 the theme is: Many Stories – One Australia. Classes across the school will be discussing the diversity of our national heritage and the need for tolerance and understanding as we grow as a nation.

SCHOOL PEDESTRIAN CROSSING
I have been advised that there may be mornings this week when the school crossing will not be supervised. Parents are asked to take special care in instructing their children on how to use the crossing safely. Better still, if parents can accompany their children and assist others to cross Parkes Street it would be greatly appreciated.

DROP OFF AND PICKING UP STUDENTS
The roads around the school are controlled by Wollongong City Council and NSW Roads and Maritime Services and policed regularly by the NSW police and council rangers. I would advise parents to take the utmost care when dropping off or picking up their children from school and to be very mindful of the parking restrictions around our school. The safety of our children is everyone’s responsibility.

BUSHFIRE PREPARATION
Last week the school had a visit from Inspector Michael Gray, Community safety Officer, Illawarra for the NSW Rural Fire Service. Inspector Gray was here to review our school bushfire emergency plans and to advise best practice. Our school has developed its emergency plan in consultation with all appropriate agencies. The school will be developing using the most up to date technologies a communications strategy for time of bushfire emergency.

EASTER HAT PARADE
Easter Hat Parade will be held on Thursday 28th March at 11.30am for K-2 students.

Ten top tips for parents with kids using mobile phones

1. Establish the rules straight up – eg, “You can only use the mobile to call mum or dad if the bus is late or you are feeling worried.”
2. Add your numbers or any other numbers your child might need in an emergency to the favourites or speed dial. Explain how a reverse call works if they don't have credit and need to contact you.
3. Confirm via the service provider’s website how to block adult content and premium SMS services – this way there can be no inappropriate or costly access. If it isn't possible, talk to your child about these services and why they should steer clear of them. If the phone is a 'hand-me-down', make sure the settings are changed to suit your child and any old information/photos are wiped.
4. Remind your child that every call, SMS and look on the internet costs money! This is a great opportunity to teach your child about budgeting and credit.
5. Stick to a pre-paid account to prevent any bill shocks.
6. Make sure they don't let anyone borrow their phone.
7. Let them know it’s ok to tell you if they come across something that worries them or makes them uncomfortable.
8. Advise them to never post their number or anyone else's on the internet. Show your child how to turn off location services when not specifically using them.
9. If your child has rung up an excessive bill, contact your mobile phone provider to discuss it. The Telecommunications Industry Ombudsman may also be able to help.
10. If your child receives an inappropriate call, teach them to hang up immediately. If your child receives an inappropriate text message, make sure that they don't reply to the message but show it to a trusted adult.

Thank You
Stage 1 would like to express a very BIG thank you to all the parents who attended the Bi-Lo excursion last week. You were all amazing! Your support is appreciated! Thank you

Stage 1 Teachers and Students

PSSA Zone Swimming Carnival Representatives

Performance: Excuse Me I Was Here First.
Students K-6 should have received a permission note for the performance Excuse Me I Was Here First, which will be coming to our school on Tuesday 19th March. This performance supports our Peer Support program and helps students to manage conflict in everyday situations. Students are shown how everyday conflicts can be resolved peacefully by following 5 rules:-
Don’t make the situation worse;
Tell your story;
Listen to the other person;
Work together; Find a solution.
Please return permission notes and $5.50 by Monday 18th March.
Ms Stillwell

Curriculum News - Technology
In the NSW Syllabuses for the Australian curriculum, information and communication technology (ICT) is a component of ‘learning across the curriculum content’. It is classified as a ‘general capability’ which means it encompasses the knowledge, skills, attitudes and behaviours to assist students to live and work successfully in the 21st century.
At Helensburgh PS we provide our students with many opportunities to become competent, discriminating and creative uses of ICT. We want them to learn to use ICT effectively and appropriately when investigating, creating and communicating ideas and information. Our goal is that our students will be safe and respectful digital citizens who are motivated, connected, collaborative and engaged learners.
Our students create and publish a variety of ICT projects on our Intranet, shared with the world on our website and blogs, and they also complete activities using our JWB’s, laptops, desktops and more recently iPads. KB, 2D and years 3 to 6 (via their RFF blogs) also participate in a variety of blogging activities at school and also at home. By the end of this term we will also have access to a new DEC Google Apps package accessed through our portal. Apps in this package will include Google Drive (docs, forms, presentations, spreadsheets) and Google Sites. This will give our students additional tools to create, collaborate, store and share their work, in a safe and secure environment.
The latest ICT work completed and published on our Intranet and website comes from students in KB who used Kid Pix Deluxe to draw their favourite fruit and vegetables. Please visit the ‘Kindergarten Students’ Work page on our website see their work, as well as their wonderful fruit models completed last week, as part of their COGs unit ‘Healthy Choices’. To discover our ‘blog of the week’, please scan the QR code below to see what this wonderful class has been up to. Or follow this link: http://speekinside.edublogs.org/

A final tip - please always visit the Highlights’ page on our website so you can see the Highlights in full, glorious colour and you can also easily access all our hyperlinked information.

Mrs Sue Dowling
For the Technology Committee

We would like to Acknowledge the Wodi Wodi people who are the Traditional Custodians of this Land upon which our school stands upon. We would also like to pay respect to the Elders both past and present of the Dharawal Nation and extend that respect to other Aboriginals present.
11 Fletcher Street, Helensburgh, 2508 Ph: (02) 4294 1332 or (02) 4294 1050

Issue 8, Monday 18th March 2013 Week 8 Term 1
We would like to Acknowledge the Wodi Wodi people who are the Traditional Custodians of this Land on which our school stands. We would also like to pay respect to the Elders both past and present of the Dharawal Nation and extend that respect to other Aboriginals present.

The University of NSW - International Competitions and Assessments (ICAS) 2013

These competitions are open to all students in Years 2-6. They aim to challenge the more capable students, but any student from Years 2 - 6 may enter. They are conducted at school during school hours under exam conditions. The tests are set and marked by the University of New South Wales. Each competition has a fee and the price increases for the spelling and writing tests as these are hand marked. Tests are conducted in the areas of: Computer, Science, Mathematics, Spelling, Writing and English. The payment for competitions must be paid at the time of registration and it is **not refundable**. Please look at the table below for costs and dates for the competitions. If your child / children wish to enter you must complete the registration form found below.

Please note for the first time the English and Mathematics exams are open to Year 2 students as well as students in years 3-6. All other exams: Computer, Science, Spelling and writing are available to Year 3-6 students only.

Environmental News

A wonderful sight is of HPS students interacting with garden areas of our school - with busy hands, excited by their continual nature discoveries, and excited by the results of their dedication and team work.
Activities last week included Stage 2 children harvesting and bagging potatoes and carrot seeds and tidying no-dig garden beds before planting peas. Year 5 students completed overhauling the rock path, in the ‘quiet area’, to enable free flow of the water spill over from the upper pond.
Our environment team is composed of students, staff, parents and guided by Colin La Flamme, Environmental Scientist. Our regular meeting day is Thursday, from 10am - and you are very welcome.
Daily objectives vary, and include maintenance of our vegie, sensory and bush-tucker gardens, rainforest area, bush trail and ‘quiet area’ as well as assisting with class activities. 6C industriously sort coffee pods for recycling, every week. If you have spent Nespresso coffee pods, stamps, corks, elastic bands, mobile phones, ink cartridges and/or batteries, HPS are ready to assist with the recycling of these - please leave at the school office.
Ms Lewis
Environment Team

P&C Easter Raffle

The P&C will be holding their annual Easter Raffle to be drawn on Thursday 28th March (Hat Parade Day). Tickets are $2 each or 3 for $5 and will be sent home this week. Please return tickets sold or unsold to the office by Wednesday 27th March. Thank you for your support.
P&C

Canteen News

Thank you to everyone who supported our St. Patrick’s GREEN Day. There will be another Milkshake Monday on 25th March. We will be running an Easter Colouring In competition. Sheets can be collected from the canteen from Wednesday 20th and must be returned by Wednesday 27th. 50c fee per entry, prizes for each stage.
We will be selling hot cross buns, tea and coffee on Hat Parade Day at recess and lunch. We are now compiling a new canteen roster for terms 2 to 4 this year. We are in URGENT need of helpers, if you can spare one half day per month please fill out the form attached and return it to the canteen A.S.A.P. If you have any queries, please drop by the canteen and see us.

Bandaged Bear

Hi Everyone it is Bandaged Bear time again and we are doing a special fundraiser in the Canteen by selling Bandaged Bear merchandise we only have limited stock as there was a mix up with Hospital ordering.

Fun 4 U Helensburgh

Dear parents, Please note that if your child is going to be absent from Fun 4 U , You must contact us on 0431 199 150 or 0431 099 608 As we are spending a lot of time chasing up absent children , and this is taking our staff away from the other children. We are on School grounds but run separately from the school, so we do not know if your child is absent unless you have notified us. Thank you Fun 4 U Helensburgh

Australia's First Coloured Commemorative Coin Limited Edition

For a $10 donation the $2 Poppy coin will come with a Certificate of Donation . Australia's first commemorative $2 coin in colour has been unveiled by the RSL and the Royal Australian Mint. A unique Australian legal tender, this ground breaking $2 coin is simply an outstanding keepsake for every Australian. The coin depicts the red Flanders Poppy, which is synonymous with Remembrance Day and the sacrifices made by Australians in conflict. All funds raised go to support our vital RSL programs helping thousands of Veterans' and serving Defence personnel and their families in homes and communities across Australia. Available from the RSL National Office at Level 3, 65 Constitution Avenue CAMPBELL ACT Phone orders can also be made through the National Office at 02 6248 7199. Please note there will be a minimum postal charge of $5 per coin.
